Commissioner:

This is in response to the Decision on Appeal, dated March 3, 2005, to which a response is due on May 3, 2005. Applicants are providing an amendment that introduces the subject matter of allowable claim 24 into independent claim 16. This is believed to overcome the affirmed rejection of claim 16, and to place the application in condition for allowance.

Amendments to the Claims begin on page 2 of this paper; **Remarks** begin on page 3.
